### Programme of Action (POA) for Students Satisfaction Survey

Student satisfaction survey was conducted by the college of B.Ed. second year students of academic year 2021-2022. Questionnaire having five point rating scale (0 to 4) was prepared for the survey, 0 stands for strongly disagree, 1 stands for disagree, 2 stands for neutral, 3 stands for agree, 4 stands for strongly agree. It consists of seventeen questions. Students have given their ratings on seventeen questions which comprises the areas like syllabus covered, teachers behavior, approach, preparedness, teaching and mentoring process, organization of extracurricular activities, student participation, use of ICT tools, Incultation of soft skills and life skills. Student were asked to rate the answers of the questions. Questionnaire is made available on the college website. On the basis of the responses given by the students following interpretations are made.

1. 58.3% students have strongly agree with the statement that, "The syllabus was covered on time in the class" whereas 11.1% students have disagree with the above said statement.
2. 66.7% students have strongly agree with the statement that, "Teachers were well prepared for the classes" whereas 8.3% students have disagree with the above said statement.
3. 69.4% students have strongly agree with the statement that, "Teachers were well communicated inside and outside the classroom" whereas 8.3% students have disagree with the above said statement.
4. 72.2% students have strongly agree with the statement that, "Teachers approach towards the teaching was very good" whereas 8.3% students have disagree with the above said statement.
5. 41.7% students have agree with the statement that, "Teachers were fair during the internal evaluation" whereas 8.3% students have disagree with the above said statement.
6. 52.8% students have strongly agree with the statement that, "Your performance in assignment and practical's was discussed with you" whereas 5.6% students have disagree with the above said statement.
7. 66.7% students have strongly agree with the statement that, "The institute takes active interest in promoting internship, field visit opportunities for students." whereas 5.6% students have disagree with the above said statement.

4. Teachers approach towards the teaching should be improved.
5. Teachers should be fair during the internal evaluation.
6. All teachers should be discussed the performance in assignment and practical's with students time to time.
7. The institute will give opportunities to the students for active participation in internship and field visits time to time.
8. The institution will rectify teaching and mentoring process for the cognitive, social and emotional development of the students.
9. Teachers should illustrate the concepts through various applications.
10. Mentor teachers should take regular follow-up with an assigned task to the students.
11. Teachers should be able to identify the strength and weaknesses of the students and also able to help to overcome the weaknesses.
12. More efforts should be taken by the institute to inculcate soft skills, life skills and employability skills to make your students for the world of work.
13. Overall quality of teaching-learning process should be enhanced.
