

Local Community Based Activity

- Visit to innovative center

Shivaji University Kolhapur has been selected as the center of innovation to guide the students while visiting the innovation centers. Visit to Shivaji universities to directly inform the B.Ed. trainees or B.Ed. students about the new activities or research done at the place. The activity of giving was implemented under the college. At this place, the B.Ed. students visited the places where the new activities are being implemented in Shivaji University and got the information about that place and in that manner submitted a report based on it. From all these things the students kept their records to themselves at that place by taking information about everything, how the B.Ed. trainees or B.Ed. students are doing new activities in Shivaji universities and tried their best to innovate themselves.

- Visit to Gokul Industry

As an important part of the B.Ed. curriculum, getting information or visiting different industries is an important part, in which Gokul Udyog Group, a famous company in Kolhapur area, was visited by the B.Ed. trainees of the college on 12th. Took information about everything. How is the process of milk collection from the villages, what techniques are used to preserve the milk, what kind of products can be made from the milk, the cleanliness of the place, the financial assistance of the place, the loan scheme of the place, as well as the employees present at the place, all these have been done by the students of B.Ed. college. Through all these things, the students realized how many different factors are working behind the industry at the time when an industry is set up and running. Gokul Dudh Sangh has a very important place in Kolhapur region as the milk produced from this place is distributed throughout the region. And collected is the only point of access to each village is Gokul Dudh Sangh.

- Visit to Samaj Kalyan Office

The office for providing government benefit or scholarship to the students of the various colleges and schools in Kolhapur district is the Social Welfare Office in Kolhapur. The girls of the college market yard Kolhapur visited the place where an activity was conducted on August 1 to mark the birth anniversary of Dr. Anna Bhau Sathe. In this place, the students also got information about how the work is done in different departments, at the same time, the students also got information about which facilities are the government facilities and how they can benefit from it. Also, what are the rules of the scholarship? Because of all these things, the students did not get the information about the facilities that the beer trainees get from the Maharashtra government, scholarship scholarships, as well as the different types of financial assistance through which means, the trainees got information about the financial assistance that the poor people get, for example, Gharkul, Indira Awas, widows. The B.Ed. trainees got the information about the schemes like Pension Yojana from all these things, the B.Ed. trainees got the information about the facilities available from the Government of Maharashtra at this place and how they can be conveyed to the people.

Internship in Schools

- Visit to Environment Garden

An important activity during the inter-school period is the visit to the garden related to the environment. By visiting the garden related to the environment, the different plants of the place, the different plants, the healthy plants, the healthy fruits, the flowers, the students were helped to get the information. While doing this entertainment, they learned the importance of each plant and along with that plant, the children were asked to observe the fruits, flowers, leaves, small and big insects, different birds. The report was prepared and the children understood the importance of how the balance of the environment can be maintained. At the same time, the students accepted the responsibility to ensure that the environment is not threatened or harmed.

- School Competition

During the inter-school period, various competitions are organized by the students of the school, in which the B.Ed. trainees play the role of mentors and organize various competitions like Kho-Kho Kabaddi running and batting cricket. B.Ed. trainees do the work of encouraging children by organizing competitions like competition, class decoration competition, Rangoli competition, out of which good performing children are respected and felicitated by giving appropriate prizes to the older children and middle group children. By planning things in advance, they succeed in implementing such programs in a good way

- Visit to Shri Malahalaxmi Mandir

Shree Mahalakshmi temple is world famous as a shrine in Kolhapur district. Many people come from all over the world to visit this Mahalakshmi temple. On the occasion of this place, the work of donating food to the people coming to the Mahalakshmi temple area is done by the School Boarding Department of Mahila Shikshanshastra Mahavidyalaya, Market Yard to the needy people who book Things like donating food to them, giving them food, giving fruits, etc., have been done by the B.Ed. trainees of Mahila Shikshanshastra Mahavidyalaya in these sections. Helped students to inculcate values
