

As a part of the B.Ed. curriculum, school internships are taken, in which the school internship program is implemented, from which the B.Ed. students are given many experiences that help them in the future.

1. Academic events: To familiarize the B.Ed. trainees with the annual work, preparing the school timetable, planning the hours, dividing them according to the subject, it helps them to plan.
2. Cultural Events: Various events are organized to preserve the cultural elements in which drama plays, dances, birth anniversary gatherings, special days are celebrated.
3. Sports Events: In order to identify the characteristics of various sports in the students and provide them with suitable opportunities, various sports are organized in the school for this purpose competitions are planned for example kabaddi kho-kho running is done by B.ed trainees to encourage the children.
4. Social Work Events: As a part of the society in which we live, social service activities are carried out to reach the needy people in the society by carrying out activities like cleanliness, distribution of food to the poor, food donation rally.
5. Competitions Events: Competitions are held at different levels to give scope to the talents of the children. In this, Rangoli competition, painting competition, henna competition, cooking competition, classroom decoration competition, handwriting competition are encouraged.
6. Health Events: It organizes events to help the students through health checkup camps, lectures on sexual problems of girls, information about diet.
7. Also B.ed trainee teachers conduct different types of lessons. For eg- Activity based lesson, knowledge constructionist lesson, I.T. lessons, discussion method, Inductive-deductive method, Integration of environment content in Languages/social sciences/science/math lesson plan. This experience is great experience to student trainee Teacher.
8. Also they conduct extra lessons, Bulletin lessons, work experience, Health & physical lesson, **PRINCIPAL**
9. on the availability of schools students trainee teacher's group was formed. They attached with the contact teacher from the relevant school. If possible daily or twice in a week trainee teacher should discuss about the planning of work conducted in a Internship programme. Institute develop book according to internship programme. **PRINCIPAL**
